SCOTTSDALE

We believe *life* should
improve *with* age.

Allow us to introduce ourselves.

We're Senior Resource Group—SRG. For over 35 years, we've been developing and operating award-winning senior living communities throughout the United States. Although we're known for our distinctive designs and innovative amenities, it's common knowledge to everyone who lives and works with us that SRG senior living communities are fueled by our passion. We're truly driven by the desire to create environments that enhance the quality of people's lives.

Our success is rooted in the idea of hospitality. But it goes beyond just being well mannered. We strive to take care of our residents and our employees in a way that brings the two together as one extended family.

We work tirelessly to anticipate the future. At SRG, our residents tell us everything we need to know about who they are and how they want to live; and their input guides us in everything we do.

Ultimately, the SRG lifestyle is all about choice and independence. It's about savoring the daily experiences of life and cherishing connections—now, and into the future.

Your comfort is our passion.

We put people first in everything we do, from the day-to-day living experiences of our residents to creating the best communities and working environments possible.

And, while we pride ourselves on the daily delivery of quality service, it's the elevation of hospitality to a new level—an innovation we call Genuine Hospitality—that truly sets SRG apart. Our residents are neither guests nor strangers; they are the constant that defines our communities—where exceptional service is delivered by a dedicated group of people who truly believe our residents well-being and quality of life is their personal responsibility.

At SRG, our goal is to create comfortable, service-enriched environments that encourage residents to choose, to express themselves, and to live fully.

A blueprint for living well.

At SRG, we embrace wellness as a way of life. Healthy living means so much more than just exercise and nutrition; it's a person-centered approach that focuses on meeting the needs of the individual as a whole. Ours is a comprehensive philosophy that addresses the physical, emotional, intellectual, social, spiritual, and vocational well-being of our residents.

We recognize that mind, body, and spirit are all interconnected, so we've made it our goal to strengthen those connections through a robust offering of supportive programs, services, and amenities. By taking a holistic approach to wellness, we can provide a customized program for

each individual that includes nutrition and fitness opportunities, exercise classes, preventative health workshops, wholesome dining options and the knowledge, resources, and motivation to create a personalized blueprint for living well. Additionally, we encourage community members to work together to set goals, support progress, and celebrate and reward achievement.

By integrating all six areas of wellness, SRG communities promote healthy living and encourage residents and staff alike to lead balanced, productive lives.

When needs change, we're ready.

Our residents and their families will also find comfort in knowing that even if their needs change, their address doesn't have to. Should the necessity for care arise, they'll find a thoughtful and comprehensive menu of programs and services available on-site to meet their individual requirements today and tomorrow.

Here, a personalized program of care, provided in the comfort of their home, affords residents the freedom and independence to live life as they choose. And, as their needs may grow and change, our Director of Assisted Living and licensed professional staff are there to provide the services required to meet those needs each and every day. For those requiring specialized Alzheimer's Disease/Dementia care services, Enliven™—our creative and adaptive memory care helps residents feel more connected and as independent as possible by focusing on their strengths and abilities, not impairments.

Seeking a higher standard.

We take the health of our residents seriously, which is why we pursued accreditation. In 2004, SRG became the first major senior living provider in the U.S. to earn across-the-board accreditation of its eligible communities by the Commission on Accreditation of Rehabilitation Facilities, or CARF. Throughout North America and Western Europe, CARF is recognized as the leading independent accreditation body for providers of health and human services. Even though federal and state guidelines don't require licensed senior living communities to be accredited, we think it's an important distinction.

As part of our promise to you, SRG's accredited retirement communities will continue to voluntarily participate in CARF's accreditation process to ensure our programs and services maintain their measurable quality standards.

More than a service. A privilege.

On a whole variety of fronts, from high tech to high touch, we do everything we can to engender a reassuring sense of comfort and understanding for our residents and their families as needs arise. We are honored to have the opportunity to make a difference in the lives of those we touch—our residents, their family members, and our employees.

We like to say that life should improve with age. After more than two decades in the business, it's certainly been true for us. It's our job to make sure our residents—and team members—feel the same way.

WELL-BEING THAT'S, WELL, *FUN*

The idea behind our innovative, engaging wellness program, **Zest**, is pretty simple: bringing healthy, positive balance to the Mind, Body and Soul with a wealth of personalized, enriching experiences. From trying something for the first time to exploring passions old and new, Zest is all about energy. Because when we feel energized and happy, we enjoy life more every day.

Zest inspires the mind through creative and intellectual expression. We work to keep the body in tune through daily motion and attention to nutrition. With our plant-based and whole-food focused FreshZest™ dining options, it is easy to enjoy fine dining AND make small but impactful lifestyle changes. And for the soul, our approach is as social as it is spiritual—personal connection, a bit of purposeful reflection and plenty of carefree interaction. Actually, it can be as simple as taking a moment to breathe.

Contact us today to learn how Zest can bring more well-being to your daily life.

AN SRG SENIOR LIVING COMMUNITY

MORE THAN “JUST” WELLNESS

We believe that wellness is a key factor in living your best life, longer. That’s why our Zest wellness program takes an evidence-based, 360-degree approach to well-being that draws from best practices from a range of disciplines, like medicine, psychology, behavioral science, as well as SRG’s more than 30 years of experience in senior living.

Zest is designed to help our residents feel their best every day. And even more, with the help of a dedicated on-site team, residents can benefit from preventive health strategies that promote well-being not only today, but in the long term.

ENJOY YOUR ZEST

Because wellness is an individual journey, Zest offers a wide range of experiences for the Mind, Body & Soul—three pillars of wellness that we believe are vital and interconnected. Whatever your preferences and needs, with Zest you’ll find it easy and fun to cultivate a rich life of meaning, connection, fulfillment, and purpose.

These are just a few experiences waiting to be discovered:

- *Going back to school* with our Lifelong Learning university seminars.
- *Tasting how delicious* health can be with our FreshZest™ menu options.
- *Putting a dynamic new spin* on cycling with an energizing spinning class.
- *Enjoying Happy Hour* filled with personable conversation and new friends.

SENIOR
LIVING

You're always in the loop with LifeLoop

Connected to life, family, and each other.

LifeLoop helps residents and family members communicate, share experiences, and stay connected and involved in each other's lives on a daily basis. As a resident, you can easily connect with other residents to discover interests and hobbies, share photos, and invite friends to join you in an activity—using your phone, tablet or computer.

Family members can join in, sharing photos, sending messages and seeing what you have been up to lately. LifeLoop offers families added comfort by sharing weekly updates on their loved ones' activity engagement and assisting with meeting their needs from anywhere at any time.

Best of all, our team can walk you through setup and provide any support you need, so you can enjoy trying something new without the worry.

Keeping everyone in the loop. It's just another way life at an SRG community makes every day better.

How do I qualify for residency at Maravilla Scottsdale?

Residency is open to individuals 62 years of age and older (subject to limited exceptions) who are capable of living independently, and who have sufficient financial resources to pay the Entrance Fee, Monthly Fees, and any additional fees and personal living expenses applicable. No medical evaluation is required for residency.

What are the benefits of Maravilla's Continuum of Care Community?

Maravilla Scottsdale is a continuum of care community offering independent living in our Casitas and Courtyard Residences and the comfort and convenience of licensed assisted living and memory care available on campus to meet your changing needs. Offering a broad spectrum of healthcare services, Maravilla is designed to keep you in optimum health when you are well, and provide personalized care options when you are not. Our progressive care model is based on the most up-to-date delivery of care for preferred senior living. Here, residents are not required to prepay for care they may never need nor subsidize care costs incurred by their neighbors. In other words, you only pay for the care you need if you need it.

What is a Senior Residential Entrance Fee Contract and what does it cover?

A Senior Residential Entrance Fee Contract is your financial commitment and our assurance that Maravilla Scottsdale's state-of-the-art residential living environment for independent living will be maintained through the Entrance Fee, the Monthly Fee and other fees you may choose to incur.

Maravilla Scottsdale offers you two Senior Residential Entrance Fee Contract programs from which to choose: 1) Fully Amortizing Refund; and 2) 50% Refund. Each includes a one-time Entrance Fee paid prior to occupancy plus a Monthly Fee, both based on the size and type of Independent Living Casitas or Courtyard Residence you select.

Who oversees Senior Residential Entrance Fee Communities?

Annually, Maravilla Scottsdale files its audited financial statements with the Arizona Department of Insurance.

Is my Entry Fee refundable?

Yes. However, the amount of the refund depends upon the timing of your request to terminate and receive a refund, and the Entrance Fee Refund Program you've chosen. During the seven (7) day rescission period, a Depositor may rescind for any reason and receive a full refund.

After the seven (7) day rescission period and prior to the effective commencement date of residency, except for a) your initial deposit of 1% of the Entrance Fee, and b) costs of any modifications to your residence that you requested, all monies paid are refundable in full within 30 days of receipt of written cancellation.

After the effective commencement date of your residency, the amount of the refund depends on the following: a) the number of months elapsed between the contract date and the date of termination of the contract and vacating the residence, and b) the type of Entrance Fee Refund Program selected—Fully Amortizing Refund or 50% Refund. In each case, your refund will be paid after the first to occur of (i) 30-days after a new resident pays the Entrance Fee and takes occupancy of your vacated residence, or (ii) one year after you have properly vacated your residence. Please contact a Maravilla Sales Representative for more information.

What if my plans change prior to taking occupancy?

Up until the expiration of the rescission period, all deposits and monies paid are fully refundable. After the seven (7) day rescission period, all monies on deposit are fully refundable except for a) your initial deposit of 1% of the Entrance Fee, and b) costs of any modifications to your residence that you requested.

What is included in the Monthly Fee for the Casita and Courtyard Residences?

Maravilla Scottsdale's Casitas and Courtyard Residence Monthly Fees entitle you to a variety of benefits such as one delicious meal daily, all your utilities (except phone) including enhanced basic cable TV, biweekly housekeeping and flat linen laundry service, emergency call system, scheduled transportation services, interior/exterior and landscape maintenance and access to all campus amenities and services.

The Monthly Fee also includes the use and enjoyment of all common spaces and amenities including a gourmet restaurant, clubhouse, enclosed swimming pool, salon/barbershop, and more. In addition, the Monthly Fee entitles you to an annual, renewable, health care benefit consisting of 15 days of Level 1 Assisted Living or Memory Care residential services for use when, and if, needed. Additionally, as an Independent Living resident, should you transfer either temporarily or permanently to Assisted Living or Memory Care you will be entitled to receive a 15% discount off the then current market rates for as long as you are a resident of the community.
